SEASON 10 - 2026-2027

HALF YEAR TEAM EXPECTATIONS

Divine Athletics Cheer will offer NOVICE level teams for the
2026-2027 HALF YEAR season

GENERAL PRACTICE INFO

- Practices will start the WEEKEND OF 12/5
- Half year teams will practice once a week on SATURDAYS or SUNDAYS from December 2026 to April 2027
- Practices will range from 2 hours a week

COMPETITION SCHEDULE

- A tentative competition schedule will be given at the beginning of the season
- Teams will attend 2 local competitions

FLYERS

Flying at Divine is an extremely competitive position, and each flyer has requirements that will need to be upheld throughout the competition season. Below is a link to our updated flyer/stunting expectations.

[Divine FLYER Requirements](#)

TUMBLING

For teams to be competitive, the majority of athletes must perform level appropriate skills. A common misconception is that if an athlete is throwing a skill, they will automatically make a certain level. Divine only considers skills that have been mastered and are performed with correct technique when making team placement decisions. Below is a link to our updated tumbling expectations.

[Divine TUMBLING Requirements](#)

COMMITMENT EXPECTATIONS

Our teams require athletes and families to make a high level of commitment for the entire duration of the cheer season. This includes being adaptable to practice changes, competition changes, and apart from an emergency or illness, athletes are expected to be at ALL practices, competitions, and team events. Athletes are expected to plan vacations, family events, other sports or activities around the Divine schedule. Athletes/Families who cannot make this level of commitment should consider this before committing to a team. As a Divine athlete, the expectation is that athletes/families will make Divine their top priority.
